City of New Franklin 2016-2017 Recycling Information

The new carts will hold over 4 times as much as your existing bins. So to increase the efficiency of the collection routes and to reduce wear on the roads, Republic Services will change from a “weekly” recycling collection to an “Every Other Week” service.

New carts will begin to be delivered starting Tuesday, May 31, and will continue for the following 2 weeks or until all carts are delivered.

During the month of June, residents should continue setting the small bins at the curb, as usual.

Beginning the week of June 13, collections will transition to “Every Other Week.” Please use your carts.

Please refer to the map and calendar on the reverse side of this postcard.

Things to keep in mind:
